Questions / Plant #	1	2	3	4	5	6	7	8	9	10
1. Is this species already grown in your area? Yes or No										
2. Did the seeds arrive? Yes or No										
3. Were they: Damaged, Moldy or Infested with insects?										
4. Were they planted? Yes or No										
5. Planting date: (Mo, day, yr)										
6. At what altitude were they planted? Meters or Ft.										
7. How would you describe the planting season? Rainy, Dry or Intermittent										
8. How would you describe the temperatures at the time of the trial? Tropical, Warm subtropical, Cool subtropical, or Temperate										
9. How would you describe the rainfall at the										

time of the trial? <b>Heavy, Moderate, Light</b> or <b>Irrigated</b>										
10. How would you describe your soil? <b>Excellent, Good</b> or <b>Poor</b>										
11. Germination was <b>Exceptional, Fair, Poor</b>										
12. Plant growth was <b>Exceptional, Fair, Poor</b>										
13. Were there any serious disease problems? <b>Yes</b> or <b>No</b> . If yes, describe in comments section										
14. Were there any serious insect problems? <b>Yes</b> or <b>No</b> . If yes, describe in comments section										
15. Did the plants yield the desired product (food, forage, fuel, etc.) <b>Yes</b> or <b>No</b>										
16. What did local farmers think of it? <b>Want seed, Curious, Little interest</b>										
17. How would you evaluate its potential? <b>Not worth further work, Further trials planned, Exceptional</b>										
18. Do you think local growers will grow it? <b>Yes, No, or Started already</b>										
19. If farmers grow a similar species, how did the performance of this species compare? <b>Superior, Comparable, Inferior</b>										
20. Can we mention your name and organization in reports to our supporters? <b>Yes</b> or <b>No</b>										
21. Do you have any photographs or slides that we might use in reports to our supporters? <b>Yes</b> or <b>No</b>										
22. What, in your opinion, most contributed to the success or failure of this trial? Use separate sheet if necessary										
23. Additional comments that would be of interest to us, others growing this crop, or others in a similar area (Use separate sheet if needed).										

**ADDITIONAL COMMENTS:**

(if referring to a line number, please place that number in front of your answer)
